NOVEMBER 2014 NEWSLETTER

NEWS

Our November Newsletter is somewhat abbreviated as we did not have a run and associated photos this month.

It was most disappointing to have to cancel our November event "A Day in Trentham". We will re-schedule this event early in the New Year.

Your scribe was most gratified with the many emails from well wishes so there is always an upside to all things in life. Also the cancellation did not deter a few determined Solexists from getting their Solexes fix and having a ride on the day. Don, Diedre, Hans and Trinnie fired up their machines and enjoyed a ride along the Gardiners Creek Trail and a picnic lunch on what turned out to be a beautiful spring day.

DECEMBER EVENT

As mentioned in our last newsletter our Annual Skipton Christmas Bush Bash and lunch will take place on Sunday December 14. As in previous years we will commence our ride in Scarsdale and ride the beautiful bushland trail to Skipton with a coffee and cake stop at Linton then continuing on to the Skipton Gallery Cafe for Lunch. Full details will be sent out the week prior. We will also be presenting our new "Solexman of the year" award and trophy at this event.

SOLEXES FOR SALE

It is not often that a Solex comes onto to the market nowadays let alone a much desired early model such as the 1700. Ted B from Kyneton has decided to sell both of his 1700's, one of which is the ex Neil Ellis very fast 1700 known as "Arthur". Both Solexes are in top condition. Contact Ted on 0419 364954 for details.

Best wishes to all and look forward to seeing you on our Christmas Skipton Run.
