

FEBRUARY 2015 NEWSLETTER

NEWS

Hello Solexists, not a lot to report this month as our planned AGP and Gasworks Market Run on February 14 had to be abandoned at the last minute due to potentially unsafe weather conditions.

It is always disappointing to cancel a run and I am sure, like you, I spend several weeks looking forward to riding the Solex and several days cleaning and testing the Solex only to miss out riding and the chance to catch up with our other Solex friends.

Over the past 8 years we have only cancelled a hand full of runs so I suppose we should accept there is always another day and putting our members in any sort of risk would be careless to say the least. Riding in windy and thunderous conditions on slippery tracks can be dangerous and certainly not fun.

FUTURE EVENTS

D & D's VENUS BAY WEEKEND MARCH 20 – 22nd

The Venus Bay weekend is a wonderful weekend away generously organised by Don and Dee, the itinerary is listed below. The organisation of this event is, as always, impeccable and reports from last year were glowing and obviously a lot of fun.

Those wishing to attend should let Don and Dee know as soon as possible so final planning can proceed.

Friday – Settling in and for those arriving early, a run around Venus Bay, out to see the wind turbines and BBQ tea back at D and D's.

Saturday – Breakfast at the Koonwarra Store followed by Solex run to Fish Creek/Foster and pub lunch. Then back to D and D's for BBQ tea.

Sunday – Breakfast at D and D's followed by Solex run to Mirboo North and lunch then either back to Venus Bay or head straight home.

Plenty of things to do for non Solexists.

Please contact D and D (9807 8999, 0450644570) to let them know if you are coming, and to discuss accommodation and directions to 6 Rita Court. Plenty of room for caravans, tents etc.

Looking forward to seeing you all, Don and Dee

BELLARAIN PENINSULA RUN SATURDAY APRIL 18

For many years this has become our most popular and well attended event, our Geelong crew always put on a great and memorable day and this year will be no exception. Further details to follow.
